Asthma, Allergy & Sinus Center	Dr. Andrew Murphy	http://paallergy.com/index.html#locations	(610) 436-5491 http://paallergy.com/	For several years, Asthma, Allergy and Clinical Immunology of Chester County has participated in the National Asthma Screening Day sponsored by the American College of Asthma, Allergy and Immunology. Because of the growing number of people affected by asthma, AACICC has expanded this program to offer asthma screenings to interested organizations and corporations. By offering asthma

				<p>screenings on a year-round basis, we will be better able to identify undiagnosed asthma patients and patients who may need more aggressive asthma care. The result: patients who gain better control of their asthma and consequently have less time lost and higher productivity at school and work.</p>
