

Resource Name	Contact Name	Address	Contact Information	Description
Geisinger Health System Asthma Program	Tracy Golder RN, Aec	100 N Academy Avenue, Danville, PA 17822	(717) 920-8630 alfreeman@geisinger.edu	Our team provides individualized education and helps asthma families become comfortable managing the triggers, symptoms and control of asthma. Education is available in our outpatient settings. After each visit we send the patient and family home with an individualized treatment plan and make sure the primary care provider and school nursing staff are updated. We will help you identify triggers in the home and eliminate them.
PA Alliance to Control Tobacco	Jazmin Nixon, Program Specialist- PACT	3001 Gettysburg Rd Camp Hill, PA 17011	(717) 541-5864 jnixon@lunginfo.org www.pactonline.org	The Pennsylvania Alliance to Control Tobacco (PACT) is a statewide coalition dedicated to strengthening tobacco control laws across the Commonwealth.
