Allegheny County Health Department Safe & Healthy Homes Program	Jeff O'Brien, Program Manager	3190 Sassafras Way, Pittsburgh, PA 15201	(412) 350-4048 <a href="mailto:Jeff.Obrien@AlleghenyCounty.US">Jeff.Obrien@AlleghenyCounty.US</a> <a href="http://www.achd.net/safehomes/index.html">http://www.achd.net/safehomes/index.html</a>	The purpose of the Safe and Healthy Homes Program is to reduce hospitalizations, injuries, illnesses, or deaths from preventable home health or safety risks. This is NOT a complaint-based program. Rather, it is an educational and informational process that aims to empower participants to make informed decisions.
American Lung Association	Jazmin Nixon, Program Specialist Advocacy/PA CT	810 River Avenue #140, Pittsburgh, PA 15212	(412) 321-4029 (717) 541-5864 ext. 144 <a href="mailto:Jazmin.Nixon@lung.org">Jazmin.Nixon@lung.org</a> <a href="http://www.lung.org">www.lung.org</a>	The American Lung Association is dedicated to saving lives by improving lung health and preventing lung disease. The American Lung Association offers a variety of asthma resources, programs, strategies for quitting smoking and tips for helping workplaces go smoke free.
Tri State Pulmonary Medical Practice		3428 Brodhead Road, Monaca, PA 15061	(724) 728-5995 <a href="http://tristatepulmonary.com/">http://tristatepulmonary.com/</a>	Dr. Benjamin Laracuenta, a Beaver-area pulmonologist and asthma doctor, and the team at Tri-State Pulmonary, provide asthma treatment in Monaca, PA. Controlling asthma symptoms requires a strong doctor-patient relationship to keep symptoms in check. Asthma doesn't have to control you or your life; at least not if you control your asthma. We can help you do just that. - See more at: <a href="http://tristatepulmonary.com/asthma/#sthash.vlSvLiTf.dpuf">http://tristatepulmonary.com/asthma/#sthash.vlSvLiTf.dpuf</a>
Heritage Valley Health System		720 Blackburn Road, Sewickley, PA 15143	(412) 741-6600 <a href="http://www.heritagevalley.org/pages/pediatric-asthma">http://www.heritagevalley.org/pages/pediatric-asthma</a>	Breath'n Easy is a program made available to you by Heritage Valley Health System and your child's doctor to help you and your child better understand and manage asthma. The program is for children under the age of 18 who have experienced asthma symptoms.

				<p>The program helps you and your child learn about: Signs and symptoms of asthma, What can cause an asthma attack, How to trigger-proof your home and How to take medications correctly.</p>
